MISSIONARIES OF ST. CHARLES - Scalabrinians

The Congregation of the Missionaries of St. Charles – Scalabrinians – is an International community of religious serving migrants and refugees of different cultures, religions and ethnicities in 32 countries and on five continents.

The Congregation was founded on November 28, 1887, by Blessed John Baptist Scalabrini (1839-1905), bishop of Piacenza (Italy). It was the period of massive emigration from Italy and Europe toward the Americas. It was a far-reaching phenomenon whose importance Bishop Scalabrini was able to grasp in both its social and religious dimensions.

Our missionary focus has been to be migrants with the migrants and to be in mission with people on the move along with a special priority for the poorest migrants. What has become very obvious is that as we have taken more missionary risks and made an effort to clarify our Charism we have been blessed with more and more vocations.

Weekly Offering

September 10 – 11, 2016
Regular Sunday Collection: $5,376.00

From the Pastor's Desk

A few weeks ago I mentioned in this space how we were preparing to present our parishioners with an updated and more extended Sunday Bulletin. As of last week, we all had the opportunity to enjoy this long awaited format. An extra page will provide us with more space to share spiritual reflections and news about realities facing our parish community. A color front page will enhance its presentation. The intention is also to print everything in larger size, so no one encounters difficulty when learning about all the good things happening at Mount Carmel. Hopefully this change will bring enthusiasm to all in the community and hopefully will also awaken the desire to take a copy home and share its content with family members and those who could be interested in our faith community.

The advantage of our Sunday Bulletin is that it extends throughout the week the spiritual connection with our Faith family, which is the Parish. The reflections provided allow our Christian commitment to be nourished while keeping all members informed about the different choices we have to become pastorally involved in Church activities. The names of those who are getting married are being published so we join their joy because of their sacramental commitment. The names of those who have passed are also published so we can pray for the repose of their soul. Financial information is made available every week so we have a clear idea of our Parish's stewardship efforts. Additionally, the different activities for the month/week are there for us all to know what is happening in our pastoral and missionary activity.

I hope that we all take advantage of this magnificent tool and make sure no one leaves the church without a copy. Being informed is the first step in becoming a good disciple for it provides us with the opportunity to be part of the manifold Grace God bestows in our Faith Family. Go through the reflections we choose every week and share them with family members as this is, certainly, one of the best ways to continue growing in the ways of the Spirit. Profit from the many services we continuously provide by learning about them in our bulletin and be a person who intercedes for others when you read their names on it. Blessing to all and let us continue being the incredible Faith Community God dreams with.

Adsum,

MICHAEL KORS

Mensaje del Párroco

Una de las carencias más notorias en nuestra comunidad hispana aquí en el Monte Carmelo, es la incapacidad para despertar en nuestros parroquianos el interés por la lectura. Cada semana se publican un millar de boletines semanales, desafortunadamente comprobamos con tristeza que, a pesar del número tan alto de asistentes a la Celebración Dominical, son muy pocos los que con gusto y voluntariamente llevan una copia del mismo a casa; cada lunes sobra una cantidad considerable de boletines que tendrían que estar en los hogares católicos de nuestros creyentes. Es una pena que, tendiendo la oportunidad de conocer más sobre las diferentes actividades que se llevan a cabo aquí en la Parroquia y aprovechar las bellísimas reflexiones espirituales que les ofrecemos, estas vayan a parar a la basura porque no manifestamos gusto en disfrutar de esta herramienta que la Iglesia nos ofrece, tan rica en contenido y tan llena de información.

Desde la semana pasada estamos ofreciendo a todos ustedes un nuevo formato en nuestro Boletín Dominical. Hemos aumentado una hija extra y con ello aseguramos más espacio para su contenido además de ofrecerles una impresión con letras más grandes de tal manera que todos puedan leer la información sin dificultad alguna. Además de las reflexiones que nos ayudan a crecer en nuestra vida de Fe, también les ofrecemos una cantidad importante de avisos que nos benefician como individuos y como familias al mantenernos informados de todo lo que aquí se ofrece. El nombre de los que se van a casar y la memoria de los que ya fallecieron se encuentra inscrita como una manera de mantenernos unidos en oración e intercesión. La información financiera nos ofrece la posibilidad de estar bien informados sobre ese aspecto tan importante de nuestra Parroquia.

Asegúrese de llevar una copia a casa cada vez que viene a Misa, compartan lo que allí viene con la familia y los amigos y aproveche para mantenerse bien informado sobre lo que está sucediendo en su comunidad y sea un miembro activo en este Cuerpo de Cristo que es la Iglesia. Esperemos que nuestro esfuerzo para agrandar el boletín sea un trabajo que encuentra buena aceptación por parte de cada uno de ustedes. ¡Dios les bendiga y continuemos siendo la comunidad que Dios sueña!

SOMOS RESPONSABLES POR LOS DEMÁS

El Concilio Vaticano II nos ha llamado a imaginar la Iglesia como el pueblo de Dios. Como una comunidad de creyentes somos responsables por nuestros hermanos, por su salvación, su peregrinar en la fe, su bienestar físico. Muchos de los documentos del Concilio y volúmenes de trabajos desde mediados de la década del 60 nos dan consejos, guías y ánimo para ayudarnos unos a otros: a los pobres, a los ancianos, a los no nacidos, a los quebrantados, a los enfermos.

Porque el Concilio Vaticano II es parte de nuestra reciente historia –sin duda muchos de nosotros ya habíamos nacido– esto nos puede parecer una idea nueva y revolucionaria. Pero las lecturas de hoy nos muestran que las enseñanzas sobre justicia social han existido siempre. Ochocientos años antes de nacer Cristo, Amós advirtió a los ricos que no engañaran a los pobres. En la primera carta de Pablo a Timoteo, él insiste en que todas las oraciones sean por todos; y finalmente, el Evangelio enfatiza la importancia de usar sabiamente el dinero.

Fr. Feccia's Reflection

Oggi più che mai, il denaro occupa un posto molto importante nella vita degli uomini, nonostante la svalutazione. Anche nei momenti più difficili ci sono abili speculatori che sanno prevedere le fluttuazioni del mercato dei cambi, e spostano i loro capitali realizzando notevoli profitti. È gente che comunque suscita una certa ammirazione, anche se non si possono approvare i loro traffici: ci sanno fare, agiscono con destrezza e con intelligenza, hanno «successo» nella vita.

Nel caso dell'amministratore della parabola, che non solo sperpera i beni del suo padrone, ma arriva persino a falsificare la contabilità, è evidente che Gesù non ammira la sua mancanza di scrupoli, quanto piuttosto la sua sagacia e la sua abilità. Quando la fortuna gli volta le spalle, egli sa approfittare del breve spazio di tempo che gli rimane per farsi degli amici che si ricorderanno di lui, quando il padrone l'avrà messo alla porta. Un uomo previdente, di un'accortezza esemplare! L'abilità di un truffatore negli affari di questo mondo non potrebbe essere anche la nostra conquista nel regno dei cieli?

Gesù quindi si sofferma a indicare qual'è l'investimento fruttuoso che deve essere l'abilità cristiana nel campo della «ricchezza disonesta» e ingannatrice, che con la sua terribile forza di attrazione è capace di indurre a fare di essa il nostro idolo, tributandole un culto che è dovuto soltanto a Dio. Di questo cattivo padrone bisogna essere buoni servitori. In che modo? Usandone con disinteresse e generosità, al servizio dei più poveri. Questo significa evangelizzare il nostro senso della proprietà, troppo spesso pagano. In sintesi, si tratta di restituire al denaro, il suo ruolo di mezzo e non di fine.

Previsioni sul futuro — Il rendimento, l'efficacia, la certezza del domani: l'uomo moderno è assai sensibile a queste preoccupazioni; prevede le difficoltà economiche e politiche, e manovra i suoi capitali in funzione di tali previsioni. Gesù in un certo senso, non sembra dargli torto. Piuttosto, si mostra severo verso i cristiani che si perdono in ideologie e privano il regno della sua esigenza dell'efficacia. Il tempo incalza, finiamola di parlare di pace e di fame nel mondo, accontentandoci di belle parole che sappiamo dire, consacriamoci subito a risolvere almeno in parte dei problemi che si agitano attorno a noi. Questo si chiama essere «prudenti». Se i cristiani non sono fedeli nella piccole cose, lo saranno poi nelle grandi—la salvezza? Luca ci dice che l'uomo non è proprietario dei suoi beni, ma solo amministratore, al servizio di una giusta ripartizione e dovrà rendere conto di tutta la ricchezza che rimane inutilizzata.

La ricchezza per costruire fraternità

Il mondo viene comunemente diviso tra ricchi e poveri. La contestazione, la lotta di classe sembra basata sul principio che non c'è possibilità di accordo se non con l'eliminazione di una delle due parti. L'annuncio del regno di Dio, del suo amore che salva, viene fatto in un mondo diviso tra ricchi e poveri. E' un annuncio che sconvolgendo l'intimo dell'uomo, sconvolge anche un certo tipo di ordine sociale.

Una falsa religione copre l'ingiustizia

C'è una falsa religione che i profeti non hanno mai cessato di denunciare: la religione di chi crede di avere la coscienza a posto con poca fatica, col compimento di riti e pratiche esteriori di culto. Spesso questa è una apparenza di religiosità che serve da copertura allo sfruttamento dei poveri.

Nella prima lettura compaiono ricchi commercianti che fanno il riposo del sabato, in cui era proibito il commercio, pensando come imbrogliare i poveri e come frodare sulla merce o sui prezzi.

Per il ricco accogliere l'annuncio del regno è trasformare i beni da oggetto di preda in mezzo di amicizia e di comunione. Già abbiamo ascoltato (domenica XXIII) l'invito di Gesù a vendere tutto e darlo ai poveri. Qui ci viene detto: «Procuratevi amici con la disonesta ricchezza».
